

Dear Sir/Madam:

I am writing to urge you not to weaken Indiana's law establishing a "no call" list by allowing the Consumer Banker's Association to impose the "existing business relationship" upon me.

I can assure you that I registered for Indiana's No Call list expressly for the purpose of avoiding ALL unwanted solicitations. I view such unwanted phone calls, from all commercial parties regardless of my relationship with them, as a violation of my Constitutionally protected right to privacy.

Thank you,  
Keith C. Trinkle
